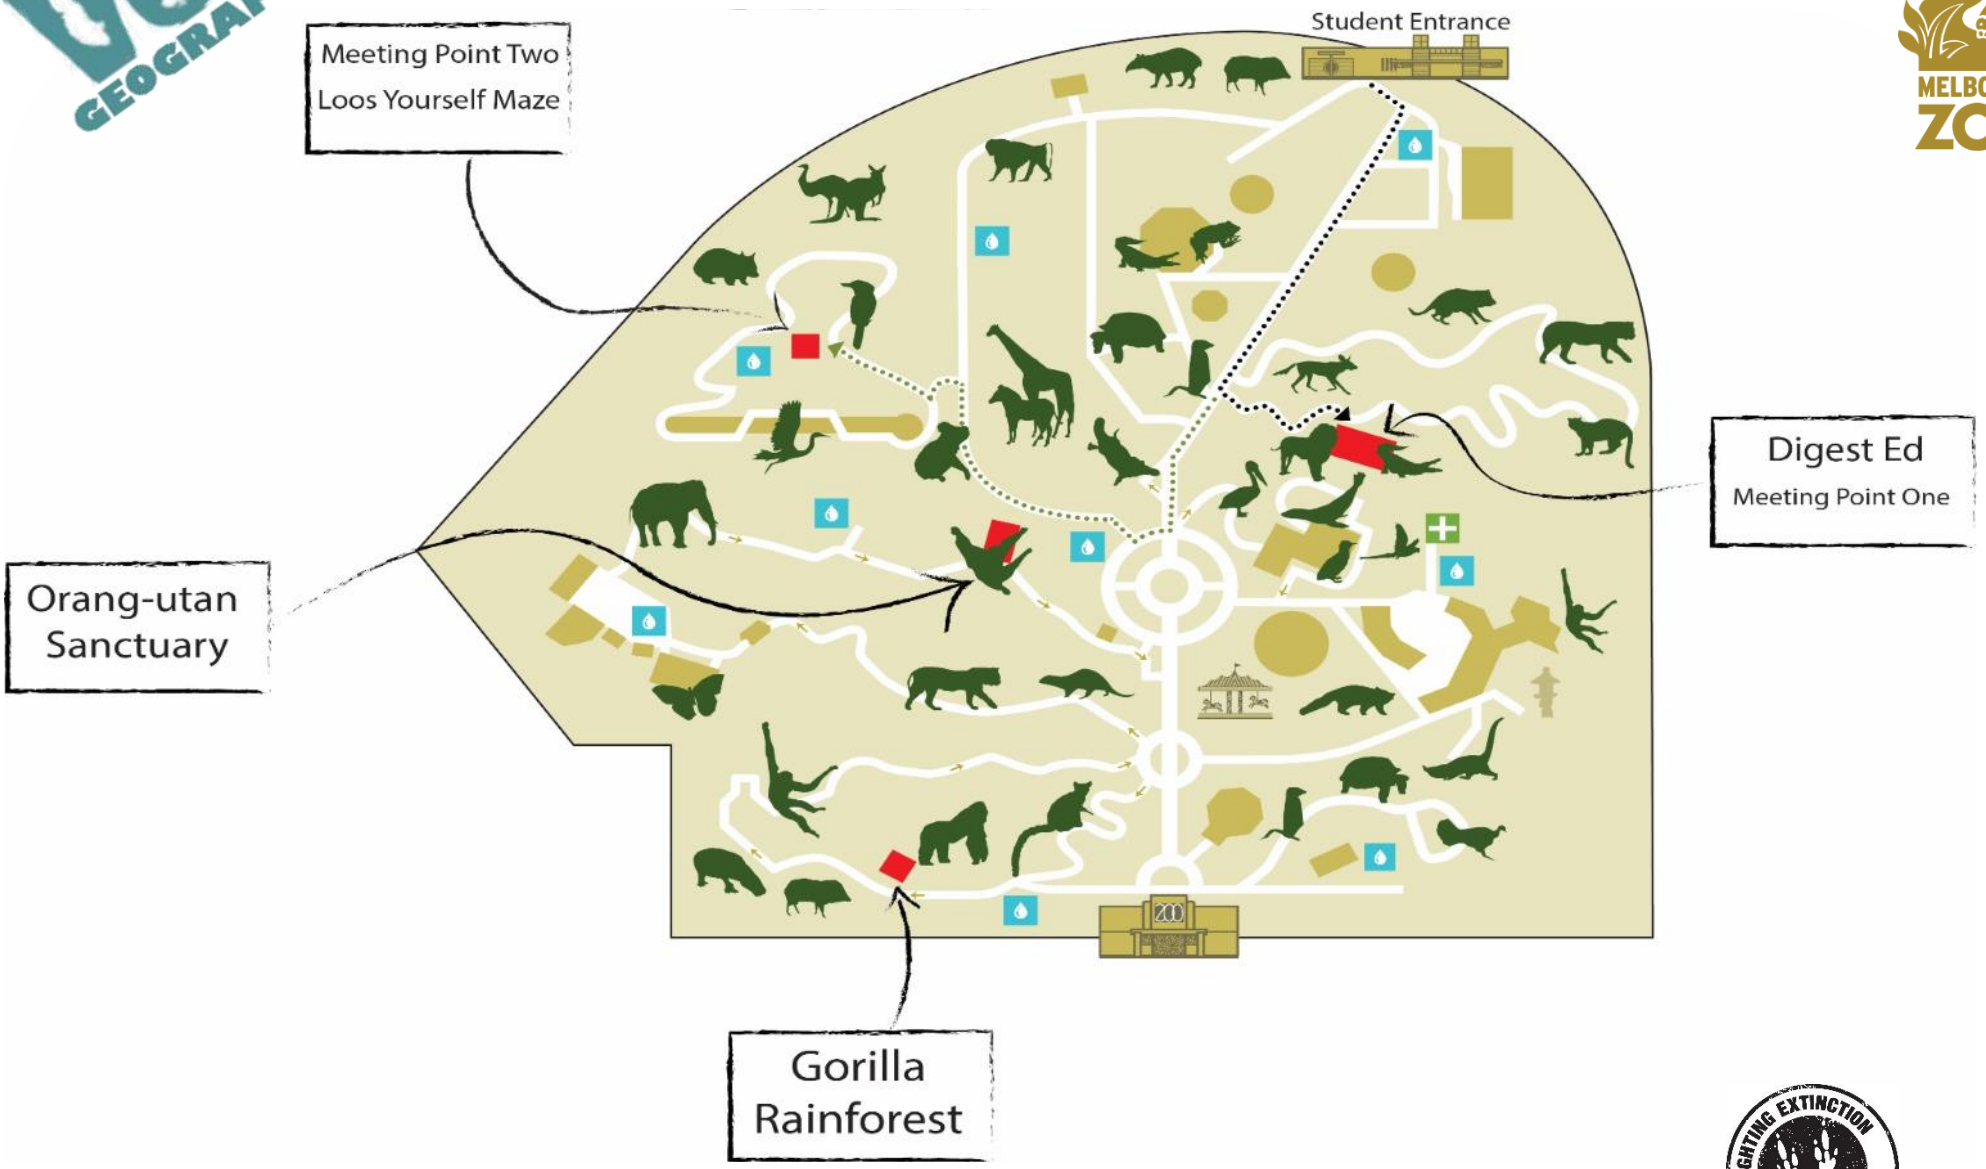
VCE Geography Program Outline

Activity	Time & Location
Educator-led Workshop 1 An Educator will introduce students to the Big Question which will frame their day's investigation- ***How effective are organisations in having a positive impact on tourism?*** ***A teacher is required to attend the workshop to meet with supervision requirements.***	**Digest Ed** This workshop will be held in the **Digest Ed Learning Space**, located next to the Lion enclosure in the Lion Gorge Precinct (refer to your Booking Confirmation letter for allocated time).
Educator-led Workshop 2 An Educator will facilitate an onsite workshop exploring a campaign and environmental interpretations and prepare students for onsite fieldwork. ***A teacher is required to attend the workshop to meet with supervision requirements.***	**Loos Yourself Maze** Workshop 2 is held on the hour, after Workshop 1 finishes. This workshop located at the *Loos Yourself Maze* in the Australian Bush Precinct (refer to map below).
Student Led inquiry- Optional Onsite Activity Students can undertake visitor heat mapping or visitor interaction at additional campaign sites (refer to Student Workbook and Teacher Notes).	**Throughout the Zoo** Teachers and students can co-ordinate their own times to complete these tasks. They can be completed before or after the workshops. Refer to the Student Workbooks and Teacher Notes for a map of key locations.

PLEASE NOTE: If you arrive at the Zoo after your allocated workshop time, we may be unable to accommodate your students as this will affect all other schools participating on the day. Where possible, our staff will endeavour to do their best by your students and provide an alternative, however due to scheduling restrictions, this cannot be guaranteed.



The Melbourne Zoo Learning Experiences Team, respectfully acknowledges the Wurundjeri People, the Traditional Custodians of the land on which we work, live and learn. We recognise their continuing connection to land, water and wildlife and pay respect to Elders past, present and emerging.
