

DISCOVERY MAP

APPROX. 2 HOURS

Meerkat time!

Kick off your discovery day with a visit to our meerkat family! They always look out for each other and even babysit each other's kids.

Time to slow down

Meet our Giant Tortoises. Did you know they lay eggs that are the size of tennis balls?

The eye of the tiger

Head over to the Trail of the Elephants and keep your eyes peeled for a Sumatran Tiger.

Float like a butterfly

Pop into the Butterfly House. If you stand really still, one of our colourful friends might land on you!

Trunk stop

Take a seat at our elephant exhibit and watch as they roam around the paddock.

Just hanging about

Get up close and personal with our amazing orangutans at our tailor-made exhibit.

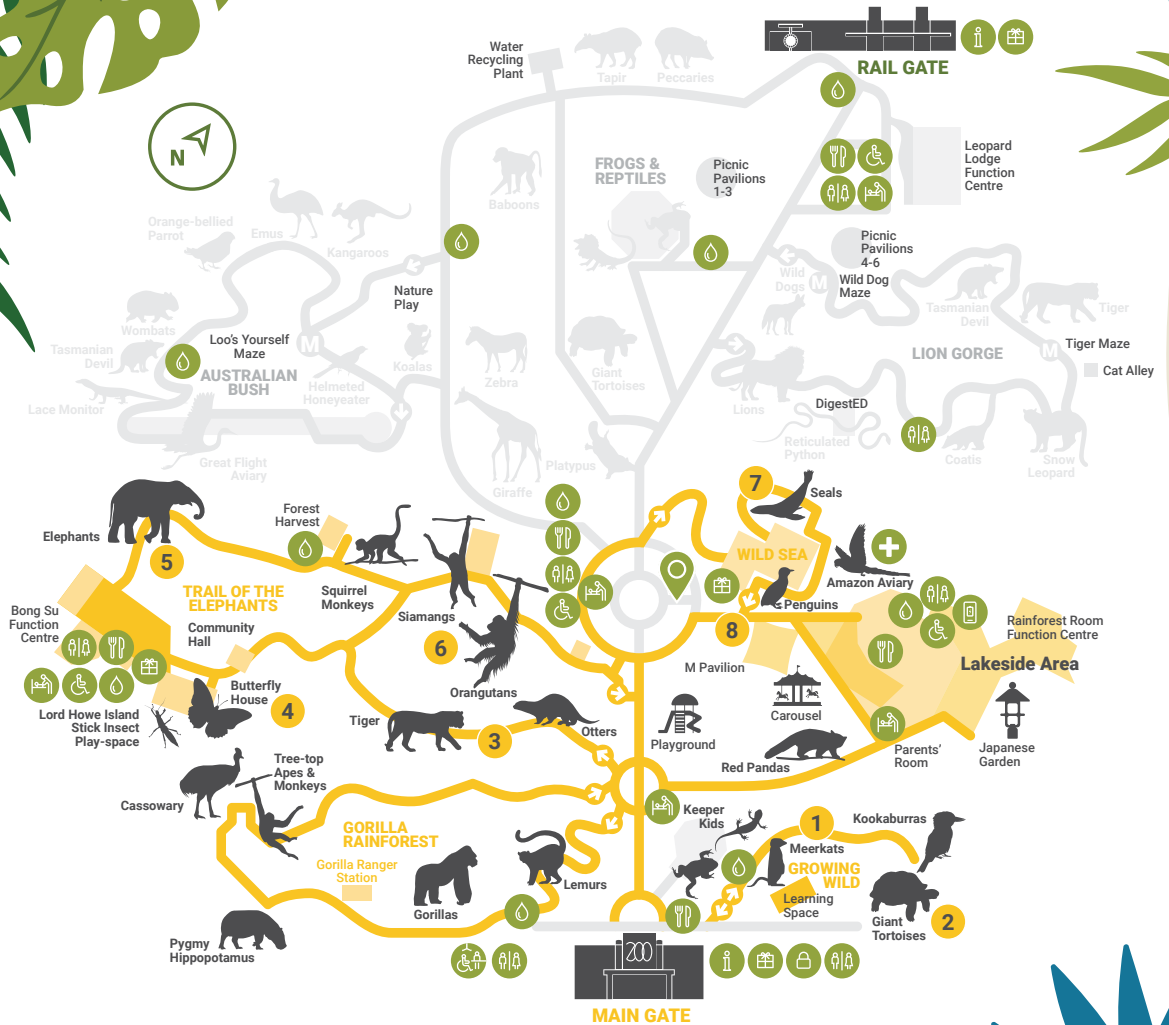

Under the sea

Head past the pelicans, step inside and be transported to a world under the sea. You'll meet our playful seals and other amazing creatures.

Happy feet

Say g'day to the Wild Sea Victorian Little Penguin family. Watch as they swim the currents and frolic under and above the water.
